## ABOUT XPAND

Xpand is a fast-growing legal administration firm. With over 20 years of industry experience, CEO, Jonathan Paul, leverages his subject matter expertise to ensure excellence is at the core of all we do. Starting his legal administration career as a Project Manager, he later advanced into positions such as Senior Vice President at one of the largest administrators in the country and President of Sales & Marketing for a long-standing boutique firm. He now works closely with the project and case teams to ensure best in class processes are followed.

COO, Tiffany Paul, comes with over a decade of experience at one of the largest consumer goods companies in the world. Coupled with the successful launch and scale of her own startups, Tiffany brings creative solutions to a field that has a tendency to be stuck in its ways and has improved dozens of processes during her tenure running legal administration projects.

The case management team has been involved in projects spanning several practice areas, including:
